HOW TO GUIDE

1

STEP 1: PLACE CUP

Customer places reusable cup, **lid off**, on the designated tray or spot shown by sticker.

STEP 2: STEP BACK

Customer steps back **2 metres** away from the counter.

3

STEP 3: TAKE TRAY

Barista carries the **tray** to the coffee machine, touching only the tray.

STAGE 4: MAKE COFFEE

Barista makes coffee in existing crockery or jug and pours into reusable **without touching**. Carries tray back to customer.
